

CEFCA's GitLab Services

Thanks for your interest in registering in our GitLab service!

In order to start the registration process, we kindly ask you to provide us with the basic information requested below. With that we will create your user in the platform so you can finalize the registration following the instructions we will provide you. During that last step we will ask you to review, understand, and agree to the [terms and guidelines](#) of the service to ensure a compliant and secure use of our platform.

First name: Email:

Family name:

Affiliation/Organization:

Position/Role:

Project(s) you are contributing to:

Username preference:

Password: ☐ I will create a secure password during online registration.

Signature:

Date:

I have read and I accept the information on the use of my personal data, in accordance with the [privacy policy](#).

BASIC INFORMATION ON PERSONAL DATA PROTECTION

Data Controller: CEFCA (www.cefca.es)

DPO Contact: dpd@cefca.es

Legitimation and purpose: User registration on our website, for access to our services and participation in projects. The legitimacy for data processing will be based on the agreement established between the two parties when accepting the access rules and requirements.

Conservation: The data will be kept as long as the project remains active.

Recipients: They will not be transferred to third parties unless it is necessary to manage a request or a legal provision allows us to do so.

Rights: Access personal data, rectify them, delete them, and oppose their processing for promotional purposes (among other rights). To exercise them you can write to rgpd@cefca.es or by post to our physical headquarters.

More information: By visiting our [privacy policy](#) or writing to dpd@cefca.es
